RESPONSE TO RESTRICTION REQUIREMENT OF OCTOBER 11, 2005

This is a response to the Restriction Requirement mailed October 11, 2005.

Claims 1-63 are subject to a restriction requirement under 35 U.S.C. § 121. Applicants hereby elect, with traverse, Invention I, Claims 1-25, 27-45 and 62-63 for continued prosecution.

Applicants elect with traverse because simultaneous examination of the inventions does not impose an undue burden of examination on the Examiner.

If the restriction requirement is made final, Applicants reserve the right to continue prosecution of non-elected inventions in or more continuing applications.

Respectfully Submitted,

Robert Holthus
